## MESSAGE

I have great pleasure in penning these few lines for the proceeding of the National Seminar on **Recent Trends in Environmental Protection: Concern and Challenges** held in the college on 5<sup>th</sup> Oct 2015. There is growing pressure to improve and protect the environment. It is truly befitting that such a Seminar be organized to discuss a wide variety topics under the umbrella concept of Recent Trends in environmental protection.

I am very sure the conference will provide the right environment for participants to discuss and interact with the eminent scholars and academicians who come to share their knowledge with us on the occasion.

I am very glad that the science faculty has taken the much needed initiative of organizing a seminar of this structure and I wish them all success.

Shri.Amrutraoji Kasar  
President

B.S.S.P.Mandal, Songir, Dist.Dhule. (M.S.)

## MESSAGE

I am pleased to know that Arts, Commerce and Science College, Songir is organizing National Seminar on "Recent Trends in Environmental Protection: Concern and Challenges" on 5<sup>th</sup> October 2015.

Taking into consideration the importance of protecting the natural environmental on individual, organizational and governmental levels, it is the need of an hour to discuss on the emerging issues related to environmental protection. I am sure that eminent academicians, researchers and experts from different parts of the country exchange their knowledge and ideas on the important topics like Eco-conservation. Environment and Green Chemistry, Population Health and Socio-economic development , Global Warming and Climate Change etc. which will update the knowledge of the participants and provide an in depth analysis of subjects. Deliberations in this conference will definitely play an important role in enriching the participants to present and discuss the most important issues related to Recent Trends in Environmental Protection.

**I wish the National Seminar a grand success.**

## MESSAGE

I am extremely happy to learn that Gahujan Samaj Shikshan Prasarak Mandal's Art's, Commerce and Science College, Songir, Dhule (M.S.) is organizing One Day National Seminar "Recent Trends in Environmental Challenges (RTEPC)" sponsored by North Maharashtra University, Jalgaon. Topic of Seminar chosen is good as environmental protection is practice of protecting the natural environment on individual organization and Govt. levels for the benefit of both the natural environment and humans. The deliberations of the seminar will give the fruitful results for the benefit of society.

My felicitation and best wishes to the Patrons, Conveners and organizing team of this seminar for its successful completion.

**Dr.D.K.Kaushik**

## MESSAGE

It is with great pleasure that our college is organizing one day National Seminar on Recent Trends in Environmental Protection: Concern and Challenges on 5<sup>th</sup> Oct 2015. I extend my warm welcome and good wishes to entire participants who have contributed to make this event interactive memorable. I am extremely graceful to Hon'ble Vice-Chancellor, Prof. Sudhir H. Meshram, whose excellent support has given us great strength and encouragement for this important national event. We are grateful the Director, BCUD, Register, Finance and Accounts officers for making all facility available for better arrangement of the Seminar. I thank the organizing committee members, teaching and non teaching staff, participants, for their co-operation to make this national events a grand success.

Dr. K.B. Patil  
Principal
